

# Listen To Your Heart

DHT

I know there's something in the wake of your smile  
I get a notion from the look in your eyes, yea  
You've built a love but that love falls apart  
Your little piece of heaven turns to dark

Listen to your heart  
When he's calling for you  
Listen to your heart  
There's nothing else you can do

I don't know where you're going  
And I don't know why  
But listen to your heart  
Before you tell him goodbye

Sometimes you wonder if this fight is worthwhile  
The precious moments are all lost in the tide, yea  
They're swept away and nothing is what it seems  
The feeling of belonging to your dreams

Listen to your heart  
When he's calling for you  
Listen to your heart  
There's nothing else you can do

I don't know where you're going  
And I don't know why  
But listen to your heart  
Before you tell him goodbye

And there are voices  
That want to be heard  
So much to mention  
But you can't find the words  
The scent of magic  
The beauty that's been  
When love was wilder than the wind

Listen to your heart  
When he's calling for you  
Listen to your heart  
There's nothing else you can do

I don't know where you're going  
And I don't know why  
But listen to your heart  
Before you tell him goodbye  
Listen to your heart, mmm, mmmmmmm

I don't know where you're going  
And I don't know why  
But listen to your heart  
Before you tell him goodbye
