

## A Good Thing

DI-RECT

Take my hand  
And don't let go  
I promise I'll guide you  
The way back home  
I would walk a million miles just to be with you  
Again

It's a good thing you're around  
It's a good thing I'm allowed  
To lay down on your back stretched out to have sex  
So good  
Will I be true to you?

Face to face  
Does it matter if we fall  
Far from grace  
Just lie before, before...  
And I would ride a million miles  
Just to be a part of you again

It's a good thing you're around  
It's a good thing I'm allowed  
To lay down on your back stretched out to have sex  
So good  
Will I be true to you?

It's like a once upon a time  
So I'll try to find a reason why we're here  
Honestly do you believe we'll actually fall in love  
Again

It's a good thing you're around  
It's a good thing I'm allowed  
To lay down on your back stretched out to have sex  
So good  
I will be true to you  
(To you)

It's a good thing you're around  
It's a good thing I'm allowed  
For good
