DI-RECT

let me smoke  
let me fly  
let me drink  
let me die in your arms  
let me go  
let me fall in the rain  
let me feel only pain  
I warned you  
I need hate, hate  
let me go

time me  
weas me  
kick me  
let me my friends  
time me  
weas me  
kick me  
let me my friend  
clean my enemy

let me fall in the rain  
let me feel only pain  
I warned you

let me fly  
let me drink  
let me die in your arms  
let me go  
to out there
