

Paper Plane

DI-RECT

You ran away, and I followed

On the blind side

Of your mind side

You created a world without a guide-light

Lit the light in your eyes, I can see through the night

Ahaaa haaa haaaaaa ha haaa

Ah haaa ha haaa

We can both fly away with the weight of a paper-plane

Ahaaa haaa haaaaaa ha haaa

Ah haaa ha haaa

We can both fly away with the weight of a paper-plane
