

# Landslide

Dia Frampton

I took my love, I took it down  
Climbed a mountain and I turned around  
And I saw my reflection in the snow covered hills  
Till the landslide brought me down

Oh, mirror in the sky, what is love?  
Can the child within my heart rise above?  
Can I sail through the changing ocean tides?  
Can I handle the seasons of my life?  
Mmm, mmm, mmm

Well, I've been afraid of changing  
'Cause I've built my life around you  
But time makes you bolder  
Even children get older and I'm getting older too

Well, I've been afraid of changing  
'Cause I've built my life around you  
But time makes you bolder  
Even children get older and I'm getting older too  
Oh, I'm getting older too

Awh, take my love, take it down  
Awh, climb a mountain and turn around  
And if you see my reflection in the snow covered hills  
Well, the landslide bring it down

And if you see my reflection in the snow covered hills  
Well, the landslide bring it down  
Oh, the landslide bring it down
