What's the use of opening this door? Each day is so boring
The weather's gonna be great tomorrow but what's the use?
We've met eyes and I'm waiting for you right now
You know there's no one else to listen to me

Don't leave me alone
I just need a moment
Tonight, please lend me your shoulder

Tears go drip drip
I can only hear them falling
I wanna lay everything down today

You know everything
Why can't anything go my way? I don't feel like myself

In my burning heart (suddenly)
A blue color has been painted (driving me crazy)
I can't erase it, I'm just being colored
Tonight is a blue day

(Oh blue day) Lonely
(Lonely night) Lonely, lonely
(I lost my way) Lonely
Coloring me blue

(Oh blue day) Lonely
(Lonely night) Please done for me
(I lost my way) Help me, help me
An unerasable blue day

(Please wake up, wake up)
My clear heart
(Break up, break up)
Is scattering

Stay with me just for today
My crappy mood is going
Down down down

It's unusually quiet today (feel so blue)
Morning's not gonna come for a while (it so true)
Color my heart white
It's dark and lonely, it's a blue night

Look out the window, all of those people
At the end of the day
I feel the same as today's weather

The window goes knock knock
I can only hear the rain knocking
I wanna lay everything down now

You know everything

Why can't anything go my way? I don't feel like myself

In my burning heart (suddenly)
A blue color has been painted (driving me crazy)
I can't erase it, I'm just being colored
Tonight is a blue day

(Oh blue day) Lonely
(Lonely night) Lonely, lonely
(I lost my way) Lonely
Coloring me blue

(Oh blue day) Lonely
(Lonely night) Please done for me
(I lost my way) Help me, help me
An unerasable blue day

On a day like today
Please be with me
Like this starry night
Help me shine too

Everyone wants someone to hold their hand
On days like this
So on a night like tonight
Please be with me

(Oh blue day) Lonely
(Lonely night) Lonely, lonely
(I lost my way) Lonely
Coloring me blue

(Oh blue day) Lonely
(Lonely night) Please done for me
(I lost my way) Help me, help me
An unerasable blue day

What's the use of opening this door?
Each day is so boring
The weather's gonna be great tomorrow
But what's the use?
