Look at them, looking at us
I guess we look so good together
How about you? I think so too
You're mine, I think I love you so

I guess you're comfortable around me
You're pinching my cheeks
Touch touch
I'm so nervous, what is this?
It's too much, I think I love you so

I don't want to admit it but when I see you
I feel like I am softly melting

Come here you, you, you, you, baby
Come here love, love, love, why're you doing this?
My heart has dropped
My heart has stopped
Come here you, you, you, you, baby

Look, do you even know how I feel?
My heart is foolishly fluttering
The wind is softly wagging its tail
Look at my cheeks, it's getting red again

Why do you seem like a man these days?
Why do you look even more handsome today?
I like you so much, I'm going crazy
Is this love? Don't have to say it cuz I can feel it

But you're acting strange these days
That face is clearly love
I don't know, I think I'm the same too
I'm so nervous, I think I love you so

I don't want to admit it but when I see you
I feel like I am softly melting

Come here you, you, you, you, baby
Come here love, love, love, why're you doing this?
My heart has dropped
My heart has stopped
Come here you, you, you, you, baby

You are my shiny boy
You are my destiny

Ooh yeah oh

Come here you, you, you, you, baby
Come here love, love, love, why're you doing this?
My heart has dropped
My heart has stopped
Come here you, you, you, you, baby
