My orange colored hair reflects in my mirror
With my smooth body line, oh love it love it love it woo
Risky eyeliner surprises whenever I blink
Bling bling even without any lights

What are you doing there?
Who cares if you get aggressive?
I'm looking at you right now
But you're too slow
I'm kinda pretty today
I like everything
I see that you've already fallen for me
(Completely)

From my head to my toes, it's perfect
Everyone is losing it when they see me
Look at me

LOOK at me and u
Tell me first
Don't think too hard
You're so handsome
LOOK at me and u
You show me first
You're stealing glances at me
I caught you red-handed, OK

Anyone can see that I'm pretty
I look good with you (OK)
We're a perfect fit, shh, look at me
Anyone can see that you're handsome
You look good with me (OK)
You're so nervous right now, alright
Only stay with me today

Where are you looking? I'm the prettiest here
Don't look elsewhere
Today, I'm the star
Like a cherry scent
My popping charms overflow
Wherever it is, OK

Wherever you look, there's no girl like me
You know this
I got dibs on you
So look at me

LOOK at me and u
Tell me first
Don't think too hard
You're so handsome
LOOK at me and u
You show me first
You're stealing glances at me
I caught you red-handed, OK

It's cuz I like you, you know
(Heart drops when I see you)
My heart is pounding
Don't think too hard, why are you measuring things out?

Tell me honestly

Ah ah ah ah

Ah ah ah ah

Attention boy

Thanks to you

In front of me

Everything else is boring

Ah ah ah ah

Ah ah ah ah

There's a lot of guys aiming for me

But it's just a game, today, only stay with me

LOOK at me and u

Tell me first

Don't think too hard

You're so handsome

LOOK at me and u

You show me first

You're stealing glances at me

I caught you red-handed, OK

Anyone can see that I'm pretty
