Dancing is fun to me
Although I'll be left alone

Until the night is over
As if time has stopped

I'm just smiling, that's what I have to do
Wearing different pretty clothes every day
Putting on a fun face under flashing lights
I'm a mannequin dancing for you

Like a flower in a glass bottle
I don't know when I'll wither

I'm just having fun
I'm just dancing in the rhythm
After the day is over, I'll be left alone
(But I can't shed tears)
Like the stars that brighten the night
I'll be here tomorrow as well

Breathtaking whiskey
Risky lipstick mark on the glass
Take a deeper swig
Eyes wanting me to get drunk with the rhythm
They know me, they all look at me
I can't put my head down so I'm smiling
A dark night, a red light
Fills up this dark room

I'm just having fun
I'm just dancing in the rhythm
After the day is over, I'll be left alone
(But I can't shed tears)
Like the stars that brighten the night
I'll be here tomorrow as well

Many wishes came true
Over a short period
I still can't believe all of this
But I'm getting used to this reality
Pressure and failure under flashing lights
Like a firefly
Pushing back despair and exhaustion
Turn on the bright light tonight

There's nothing outside the window
(Just sighing by myself
Looking out the window)
Don't envy me
(Drenched with tears, I dream of a beautiful me
As I fall asleep)

I'm just having fun
I'm just dancing in the rhythm
After the day is over, I'll be left alone
(But I can't shed tears)
Like the stars that brighten the night
I'll be here tomorrow as well
