Accio Mr. Potter, in front of my eyes
Is a sweet forest called you, I've fallen into it
I can't get out because of this instinctual pull
I wanna wanna wanna
Wanna get your mind

Descendo Will you show me your honest heart?
I try to escape but I can't, So Riddikulus
I'm addicted to your sweet magic
Lalala don't wanna confess

Don't hide and show me, boy
Light on me, lumos
So my heart can touch yours, Go!

That's right, I got a feeling today
I can't hide it anymore, no
Only look at me, I'm casting a spell on you
That's right, you felt my heart
I can't let go of you, I don't wanna let you go
Your charms cast a spell on me so only I will know

Where are you looking? Focus on me
Don't look anywhere else Impervius
Only I am chosen to go to this sweet forest
To me, To me, To me
To me come closer, boy
I can't get out because of this instinctual pull
I wanna wanna wanna
Wanna get your mind
I'm addicted to your sweet magic

Lalala don't wanna confess

Don't hide and show me, boy
Light on me, lumos
So my heart can touch yours, Go!

That's right, I got a feeling today
I can't hide it anymore, no
Only look at me, I'm casting a spell on you

Give me give me give me
Give me your love
Give me give me give me
Give me your love
I've fallen for your charms, I can't escape
Cast a spell on me so only I will know

You, for you I wanna hold you in my heart
Come closer to me, so I can feel you
I can't let you go now, I like you

Past the deep forest, I discovered a sweet ocean
Like hail, you flew into my heart like sweet magic
This is a rational degree, sucked into this black hole
This is your spell, I've fallen into it, holic

That's right, I got a feeling today
(Oh~ Mr. Potter)
I can't hide it anymore, no
Only look at me, I'm casting a spell on you
(I'm casting a spell on you)
That's right, you felt my heart
