Honestly, I'm a bit scared
This new surrounding, this unfamiliar space
I'm still young
So I'm not good at expressing my heart

You don't know how much my heart fluttered
Every night, I tossed and turned

Good to see you, I practiced saying that so much
Even now, it feels like my heart will explode
Thank you for brightly greeting me

I'll remember your hands that held mine, I won't forget

Promise me this
That you'll stay by my side forever

Good to see you, I practiced saying that so much
Even now, it feels like my heart will explode
Thank you for brightly greeting me
I'll remember your hands that held mine, I won't forget

Forever, I will be looking ahead
