I can't fall asleep today somehow
I don't wanna go home if I'm like this
(D D D D D I A)
It's a good day today somehow
You're always by my side

Do you know? I know everything
If you talk to me so only I can hear
I remember how I used to be lonely
How I hated to be alone

There's not much time left
Until you can have me tonight
It's not impossible so come closer
It's a secret story that only we know

I can't fall asleep today somehow
I don't wanna go home if I'm like this
(D D D D D I A)
It's a good day today somehow
You're always by my side

D D D D D I A

Out of the many people, I think of you
And I imagine by myself
Your spot is bigger than others
I keep getting curious, I don't wanna forget

The flowers hold onto us,
Not letting go
Come to me, come closer
It's a secret story that only we know

I can't fall asleep today somehow
I don't wanna go home if I'm like this
(D D D D D I A)
It's a good day today somehow
You're always by my side

Make our love stronger
Don't beat around the bush, follow my boo
Talk tot me ma darling, closer
Call me late night, while everyone is sleeping
Don't beat around the bush in your mind
Inside the spinning clock
We're like a shining diamond
It won't ever break, DIA
