Love you

When I open my eyes, the first thing I do
Is sit in front of my window
And check the window (it's not raining)

If it was raining
I was gonna call you right away
But there's not a single cloud in the sky again
How can it be so nice?

Pick me up
It's so gray today
Looks like it's gonna rain
I might be in the rain
Without an umbrella

Pick me up
Actually, I don't care if I'm in the rain
Even if I get soaking wet
If only you come to me
Each day, my heart will flutter

I opening my eyes to the sound of rain
Without knowing, I'm smiling
Again today, I'm checking (checking)

If it was raining
I was gonna call you right away
But the sound of the rain suddenly came
Oh, it's just my alarm clock

Should I tell you honestly?
It doesn't make sense that it's gonna rain
What can I do? I wanna trust my heart
Woo woo woo woo

Actually
I have something I wanted to tell you
I liked you for a long time
I know you feel the same way
You came to see me today

Come to me
Actually, I don't care if I'm in the rain
Even if I get soaking wet
If only you come to me
Each day will be so new
Love you
