In the repeating days  
I'm thinking of you  
But I still have no answer

My phone won't ring, what are you doing?  
I have no idea  
Why am I struggling alone?  
Seems like you're not thinking about this at all

Every night, I wait for you again today, I'm alone  
Can't fall asleep because of thoughts of you  
But sometimes when the phone rings  
I am smiling, I think I'm a fool

In the crazy days  
Are you thinking of me?  
Why am I struggling alone?  
Seems like you're not thinking about this at all

Every night, I wait for you again today, I'm alone  
Can't fall asleep because of thoughts of you  
But sometimes when the phone rings  
I am smiling, I think I'm a fool

I really don't know your heart  
Do you even like me?  
Show me your heart  
Stop confusing me now

Every night, I wait for you again today, I'm alone  
Can't fall asleep because of thoughts of you  
But when the phone rang once more  
I'm smiling again, what do I do?
