I get tied up with just one word
Then you loosen me up again
It just takes one moment
You do this all the time
You confuse me

You keep making me misunderstand
Even though I know this isn't right
I keep understanding you again
With things that only I feel

When you get close to me like this
When our eyes meet
We keep brushing past each other ambiguously
You make me lose my mind
So I can't go anywhere

Woo woo woo baby woo baby baby
Woo woo woo baby
Woo woo woo baby woo baby baby
Woo woo woo baby

Don't do this, don't tear me up
Whenever I struggle because of you
There's lots of guys who are willing to hug me
I know that feeling too
You're not the only one who knows
If I really want to
Like just one 10 minute
That's all it takes to make someone mine
Everyone else but you

You make me misunderstand
Even though I know this isn't right
I keep understanding you again
With things that only I feel

When you get close to me like this
When our eyes meet
We keep brushing past each other ambiguously
You make me lose my mind
So I can't go anywhere

Woo woo woo baby woo baby baby
Woo woo woo baby
Woo woo woo baby woo baby baby
Woo woo woo baby

When you get close to me like this

When our eyes meet
We keep brushing past each other ambiguously
You make me lose my mind
So I can't go anywhere

Woo woo woo baby woo baby baby
Woo woo woo baby
Woo woo woo baby woo baby baby
Woo woo woo baby

I get tied up with just one word
Then you loosen me up again
It just takes one moment
Again today, I'm woo woo
