You're different from
All the typical guys around me
Your eyes, the way you talk
You make me melt
Even your walk shows your gentle manners
That are so rare these days
You're different
You have no flaws

There's still 100 meters between you and me
Stop stealing my heart, body to the body
When I clash with you, I keep getting weak baby
I think I'm going crazy

I'm not trying to act strong
Just don't wanna seem easy
My hidden heart
I want someone like you

You're different
So different from others, woo baby
Not anyone else
I think I'll regret it if I lose you

You make me feel so comfortable
You're so lovable
You're different from others
I think I'll go crazy baby

I really don't know
Why my lips are trembling
I can't handle it
I don't just fall for anyone
I guess you just know
Everything about me
In case it's too obvious
I'm being very careful

I'm not trying to act strong
Just don't wanna seem easy
My hidden heart
I want someonelike you

You're different
So different from others, woo baby
Not anyone else
I think I'll regret it if I lose you
You make me feel so comfortable
You're so lovable
You're different from others
I think I'll go crazy baby

Lalala lalala
You let me say
Lalala
I really think I'll go crazy
Lalala hey lalala hey
Woo, you're different in my eyes
You came right into my heart
Eight, bring it back
Want someone like you

You're different
So different from others, woo baby
Not anyone else
I think I'll regret it if I lose you
You make me feel so comfortable
You're so lovable
You're different from others
I think I'll go crazy baby

You're different
So different from others, woo baby
Not anyone else
I think I'll regret it if I lose you

Different, so different
Different, so different
Different, so different
I really think I'll go crazy
