Team Homi. Let's go. Yo

Game time, I'm the famous and fancy

No shucking and jiving, no Amos 'n' Andy

f*cking with the Ruckus, this alias is handy

Clap guns, you wack, son, Jackson and Randy. Uh

Can he rap? Of course, but can he strap

The balls? Slam cats on floors. You Manny Pac

Heavyweight champ of rap

Never late, Dezzie shake, gravitate your hat. Uh

P bodied the fiend. The Team Homi

Your team's sloppy. To beam properly, leave all you knocked

P the dude with disciples, I'm Jesus Price. I told my

A-Alike, "Chill, B. We don't C/see alike." Don't hit

Girls, but, best believe, I will beat a dyke to f*ck down

'Til the bitch turn into Tina Ike-I'll beat it right

A friend of Sevah's is a friend of mine, Dia-

-bolic. I'll beef, I'll defend it with Timbs and my nine, yes

Yo, I used to be broke. Now my stacks are popping. Got chicks

Fatter than Action Bronson cooking crack in Compton

The fact is I've been hanging out like muffin tops

Building something that could bring The Juggernaut to a sudden stop

On the roughest blocks, set foot and your blood'll clot

Stopping heart functions and it starts pumping butterscotch

Me and Vinnie'll squeeze the semi with Ruck and Rock

And have these law-abiding citizens screaming, "f*ck the cops!"

Plot until the cuffs are locked, knocking 'Bolic's plans

And Rick Ross is there, checking my cell for contraband (Rugh)
 Lying thief trying to reach the promised land
 Drunk enough to do shots with 2Pac's hologram
 Body-slam somebody, unload some sort of gat
 And leave their pockets empty quicker than mobile quarterbacks (Gimme that!)
 Sean'll snap if you pop shit you won't endorse
 Your broken jawbones'll sever both your vocal cords

What you have here is a death cult
 Take this motherf*cker's sweet Vick, god, and let's bolt
 I ain't f*cking 'round, receiving rabbit ears and get yoked
 If I ain't had a voice, it's 'cause I had a fear of strep throat
 You see, it feel lonely at the top
 Even if you have a Tenderoni and some rock
 I'll cook drugs, mama, macaroni in the pot
 In the Nineties, I should have been signed to Sony with the watts (I should
 have been signed)
 (To Tommy Mottol) I ain't think I'd live to see thirty-five
 I had the hammer and the forty watching Jersey Drive
 Who's this Sicilian white bol? God, I heard he live
 He as filthy as cucaracha in the dirty Stuy
 You see, I keep the bulldog in the car seat
 I'll respond to y'all criticism by eating dog meat
 I don't see you as competition 'cause y'all sweet
 I'll dump the body in the back like it's a car seat
 Stupid!
