

# The Misfit's Swing

Diabulus In Musica

This is how it must be done  
This is how you must behave  
This is how I will ignore your comments  
This is how you should look like  
This is what you have to say  
This is how I'll do: as I damn please  
Following stereotypes, you'd like to become an archetype  
Criticizing doesn't make you so unique

If I listened to all that I hear around me  
I'll turn crazy I'll go mad, mad, mad...  
I don't want to please everyone around me  
Do you know what? I don't care

What if you think I am weird?  
You won't control how I feel  
Now I'm flying free for once in my life  
Surrounded by hypocrites  
Censured by clones, crucified  
I represent to you all the sins

Following stereotypes, you'd like to become an archetype

Criticizing doesn't make you so unique  
If I listened to all that I hear around me  
I'll turn crazy I'll go mad, mad, mad...  
I don't want to please everyone around me  
Do you know what? I don't care  
You will never recognize that I invade your thoughts, in the bottom of your dull mind you  
Idolize me, you adore my charm

If I listened to all that I hear around me  
I'll turn crazy I'll go mad, mad, mad...  
I don't want to please everyone around me  
Do you know what? I don't care

You pretend that I mean nothing to your morals  
I'm your scandal, you all lie, lie, lie  
Because you'll never dare to face your own obtuseness  
Do you know what? I don't mind
