

# Tony

Diamanda Galás

Deep in my heart  
I love you so  
No matter where you run  
I'll never let you go

I run along the wall  
Wait for your vow  
My teeth are in your vein  
I feel your pain

'Cause deep in my heart  
I love you so much  
No matter where you run  
I'll stay in touch  
I'll walk the street at night  
Screamin' your name  
You hide behind the glass  
Of darkness, no shame

Take my hand  
See, that I'm insane  
Your hearts now beat as one  
Your life has begun

Your eyes are filled with hope  
I sharpen my blade  
You've never known such miss  
But it's me that you miss

'Cause deep in my heart  
I love you so  
No matter where you run  
I'll never let you go

Your sleep is filled with dreams  
That remember my name  
Your hands'll fix all that  
Around her neck  
She had a pleasant trip  
Even if it was so brief  
Your eyes were hers in death  
And your name on her breath

Let's face it-  
I've got no hard feelings  
I'm really glad the two of you met  
I'm so glad we had the chance

To clear it up

Cause deep in my heart  
I love you so  
No matter where you go  
I'll stay in touch
