

I'm Sorry

Diamante

If I had to do it all again
I'd still be your biggest let down
You will never call me your friend
We fall back to strangers

'Cause it's already dead
Said what we said
And I can't change what's behind

Even if you'll never wish me well
Even if you laugh while I burn in hell
Even if these words are an empty shell
I wanna say I'm sorry

You don't have to take this apology
You could spit it all right back and leave
But I don't care, it's not for me
I wanna say I'm sorry
I wanna say I'm sorry

I'm so bad at telling you goodbye
I don't know what I expected
We can never make it through the night
Leave it at sunset

'Cause it's already dead, said what we said
And I can't change what's behind

Even if you'll never wish me well
Even if you laugh while I burn in hell
Even if these words are an empty shell
I wanna say I'm sorry

You don't have to take this apology
You could spit it all right back and leave
But I don't care, it's not for me
I wanna say I'm sorry
I wanna say I'm sorry
I wanna say I'm sorry

'Cause it's already dead, said what we said
And I can't change what's behind

Even if you'll never wish me well
Even if you laugh while I burn in hell
Even if these words are an empty shell
I wanna say I'm sorry (I wanna say I'm sorry)

You don't have to take this apology
You could spit it all right back and leave
But I don't care, it's not for me
I wanna say I'm sorry
I wanna say I'm sorry
