

Unlovable

Diamante

Another love taken to the grave
Another one goes right down the drain
I keep making all the same mistakes
Running out of reasons I can blame

Thought I had a heart of gold
Everything I touch turns to stone
Is it my fault I always end up alone?

Maybe I'm just difficult
Maybe I'm impossible
Maybe I'm just one step over the edge
You're one foot out the door
Maybe I'm emotional
Too much to handle
Or
Maybe I'm unlovable

Is there anyone left to believe?
Is there any good still left in me?
I keep slipping further underneath
I just want a love that never leaves

Thought I had a heart of gold
Everything I touch turns to stone
Is it my fault I always end up alone?

Well maybe I'm just difficult
Maybe I'm impossible
Maybe I'm just one step over the edge
You're one foot out the door
Maybe I'm emotional
Too much to handle
Or
Maybe I'm unlovable
Unlovable

Maybe I'm just difficult
Maybe I'm impossible
Maybe I'm just one step over the edge
You're one foot out the door
Maybe I'm emotional
Too much to handle
Or, or
Maybe I'm unlovable
Unlovable
Maybe I'm unlovable
