Diamond Platnumz

Wasafi

Oooh curious, umenishika pabaya  
Ma Nimetulia  
Way you moving your body so fast and furious  
Come on you so sweet like fine wine  
Huba limenoga and I'm telling all my friends  
You are my first and end  
No be one night stand  
Ni wamilele sio trends  
Telling all my friends  
You are my first and end  
Sio one night ni for life

I, I know that you've been hurt, mmm  
But somebody like you deserve somebody (somebody)  
Somebody for life

I, I know that you've been hurt, mmm  
But somebody like you deserve somebody (somebody)  
Somebody

I don't mentor your track  
I want to sing as they dance  
Mama you play me like jazz  
But I like it like that  
I don't mentor your track  
Like Jah queen gonna dance  
Unanicheza ka jazz  
But I like it like that  
Your body do me like

Koko prom kom koko  
Koko prom kom koko  
Koko prom kom koko (Oh my gosh)  
Koko prom kom koko  
Your body do me like  
Koko prom kom koko  
Koko prom kom koko  
Koko prom kom koko  
Koko prom kom koko

See I've been looking for a thousand miles  
Kumpata atakaye nifaa  
And I found you  
Baby I found you

I, I know that you've been hurt, mmm  
But somebody like you deserve somebody (somebody)  
Somebody for life

I, I know that you've been hurt, mmm  
But somebody like you deserve somebody (somebody)  
Somebody

I don't mentor your track  
I want to sing as they dance

Mama you play me like jazz  
But I like it like that  
I don't mention your track  
Like Jah queen gonna dance  
Unanicheza ka jazz  
But I like it like that  
Your body do me like

Koko prom kom koko  
Koko prom kom koko  
Koko prom kom koko (Oh my gosh)
