Before the light cut out  
Light up the place  
And then we pop bottles  
Malaysian things  
Cause love is the thing that I have in my heart  
And its there for you  
African queen that I need and I want everyday is only you

Leo beki  
Kadaka kona  
Mwendo wa kreti  
Kwa nyama choma  
Bao kila mechi  
Ka maradona  
Tukishawaka  
And we sing along

Waka waka waka (Maybach music)

Jump off the jet and running with the young kings  
Biggest boss everywhere we go  
We run the streets  
Never gossiping I'm only with the big talk  
Black bottles so you know it's time for lift off  
Big money so you know I'm living by the code  
Born winners so you know your boy ain't ever fall  
Belaire here, belaire there  
We gotta have belaire everywhere  
Bottles on ice balling all night  
Black Ferrari boss stepping out in all white  
No it's not a secret meet me at the top  
Black bottle boys we ain't never stop (Maybach music)
