

# I Love This Song

Diamond Rio

Yeah-eee hee-hee-hee (crank it up)

Woke up, tappin' my toes  
Guitar, comin' from the radio  
Straight up, outta my bed  
I couldn't get it, outta my head

Drove down to highway nine  
I must've heard it, three more times  
Forget the words, I get the gist  
I think it went, something like this

Yeah-eee hee-hee-hee  
Turn it up, turn it up, c'mon c'mon  
They're playing that song  
You know the one, that goes on and on and on  
Sing along, ram-a-lama, lam-a, lam-a, lam-a ding dong  
Do-do-do-do, do-do-do-do  
Do-do-do-do I love this song!  
Yeah-eee hee-hee-hee

Boom box, in the sand  
Kickin' it, kickin' it, three day weekend  
A lot of rocking, a little rolling  
Suntan lotion, love potion  
DJ, came on  
Said the phones been a-ringing all day long  
For this one, it's a hit  
Crank it up, raise my fist

Yeah-eee hee-hee-hee (I love this song)  
Turn it up, turn it up, c'mon c'mon  
They're playing that song  
You know the one, that goes on and on and on  
Sing along, ram-a-lama, lam-a, lam-a, lam-a ding dong  
Do-do-do-do, do-do-do-do  
Do-do-do-do I love this song!
