

# Mirror, Mirror

Diamond Rio

Mirror, Mirror, on my wall,  
Tell me, who is the loneliest fool of them all  
No, wait a minute, I believe I see  
The answer's staring back at me

Spent most of the morning laying in bed  
Lunch was a black coffee and three cigarettes  
They say it will kill me, but I've got a hunch  
That this broken heart's gonna beat 'em to the punch

Mirror, Mirror, on my wall,  
Tell me, who is the loneliest fool of them all  
No, wait a minute, I believe I see  
The answer's staring back at me

Yes, I'm the one who swore she would stay  
Right up to the moment the U-Haul drove away  
She didn't leave a table; she didn't leave a chair  
But she knew what she was doing  
When she left you hanging there

Aw, Mirror, Mirror, on my wall,  
Tell me, who is the loneliest fool of all  
No, wait a minute, I believe I see  
The answer's staring back at me

No, wait a minute, I believe I see  
The answer's staring back at me...
