

## Reason

Diamond

There's something in your eyes  
I know I can't resist  
There's something in the air  
I don't know why  
You were hardly there when I was on my own  
There's something about you that makes me cry

Can I believe  
that you heart still beats for me  
Let me recieve  
A sign that you're my destiny  
I wanna know

Give me a reason for me to believe in  
Can't you see it in my eyes?  
That I need a reason  
for I'm still breathing  
Is it time to say goodbye?  
Cause deep in my heart I know there's a reason  
why I'm not leaving  
why I'm not alone  
So give me a reason for me to believe in  
Give me a reason

Something in your eyes still takes my breath away  
Something is deep inside please tell me why  
I don't know what I should do to break this spell  
how can you make my life an aliby?

Can I believe  
That your heart still beats for me?  
Let me recieve  
a sign that you're my destiny
