

Freaky Animals

Diana Anaid

My pa my pa is like a freak in the town
I cannot look him in the face
It's like a bad hand and I take a hand
My ma my ma I did not know her so well
But like the story books tell she was a strange one
As soon as I could read I lose who I am
My folks you know are like a travelling
Show an animal and a freak
Now look at me I lose who I am
