

# Dream, Dream, Dream

Diana DeGarmo

Do me a favor  
And tell me what you think about me  
Tell me how you want this to be  
Go out on a limb and just dream  
Paint a picture  
Choose your colors extra wise  
Especially what you put on my mind  
Fill me in so I can fly high tonight  
Uh oh, your thoughts are gonna lift me up  
Do you know it's good to want too much

Oh you got my head in the clouds  
Oh you got me coming around  
The more you think about me the more that I believe  
That nothing's ever out of reach  
So dream, dream, dream

I breathe your visions  
They pull me through the coldest of nights  
They steer me towards that moment in time  
When you show me what it means for you to be mine  
Uh oh you're giving me this will to try  
Do you know there's desire in these eyes

It's like my birthday  
Everytime you look at me  
I feel the earthquake  
Everytime you dream...

Uh oh, your thoughts are gonna lift me up

Oh you got my head in the clouds  
Oh you got me coming around  
The more you think about me the more that I believe  
That nothing's ever out of reach  
So dream, dream, dream
