

# I Believe

Diana DeGarmo

Have you ever you ever reached a rainbow's end  
And did you find your pot of gold  
Ever catch a shooting star  
And tell me how high did you soar  
Ever felt like you were dreaming  
Just to find that you're awake  
Cause the magic that surrounds you  
Will lift you up and guide you on your way

I can see it in the stars across the sky  
Dreamt a hundred thousand dreams before  
Now I finally realize  
You see I've waited all my life for this moment to arrive  
And finally I believe

I believe in the impossible  
If I reach deep within my heart  
Overcome any obstacle  
Won't let this dream fall apart  
See I strive to be the very best  
Shine my light for all to see  
Cause anything is possible  
When you believe yeah

I can see it in the stars across the sky  
Dreamt a hundred thousand dreams before  
Now I finally realize  
I've waited all my life for this moment to arrive  
And finally I believe  
Yes I believe

Ohh Yeah

Love keeps liftin me higher  
Liftin me higher  
Love keeps liftin me higher  
I said love keeps liften  
Love keeps liften me  
I said Love keeps liften  
Love keeps liften me higher  
Said love keeps liften me higher  
I said love keeps liften me high
