

# Smoke It

Diana DeGarmo

Oh look what the cat drug in  
Coming to confess your love again  
You can turn around and then  
Put that in your pipe and smoke it  
I'm so done playing games  
Since you couldn't back up what you said  
You're the only one to blame  
Put that in your pipe and smoke it  
Tried to bring out the worst in me  
But I put you out for the world to see  
I don't care if I make you bleed  
Put that in your pipe and smoke it  
Put that in your pipe and smoke it  
Put that in your pipe and smoke it  
Ooh-ooh-ooh...  
Roll it up, take a puff I no longer give a ugh  
Put that in your pipe and smoke it

You thought you ran the show  
Let me take your ass to the door  
Your keys don't work no more  
Put that in your pipe and smoke it  
Leave your comments in the box  
You ain't got no room to talk  
Your microphone's been turned to off  
Put that in your pipe and smoke it  
Here's your last chance to walk away  
You don't have my sympathy  
So be careful what you say  
Put that in your pipe and smoke it  
Put that in your pipe and smoke it  
Put that in your pipe and smoke it  
Ooh-ooh-ooh...

Listen to me once upon a time I was lost in fairytales  
Wannabe giants tried to crush me everywhere  
But like a Phoenix I arose from the ash  
Now this Wonder Woman ain't afraid to kick your ass, oh...  
Put that in your pipe and smoke it...  
Ooh-ooh-ooh...

Deat buttercup your time is up  
Roll it up, take a puff I no longer give a  
Ace of Spades takes the cake  
Hope you likes the way it tastes  
Put that in your pipe and smoke it
