

Whin Ya Waist

Diana King

Wine yu waist
Feel the bass
Make a face
Show me you can work my body

Let me tell you 'bout a dance
Called the winy winy
Strictly hoola hoopin' different style
Ya don't have to be Jamaican
Any nation let me tell you man
Jus jamn this a one, jamn this a one
Jamn this a one, this a one
Move your hips like a twister
Make a face like a gangstar
Pull up to my bumper
And just winy winy upon me
And then winy winy upon you
Show me you can work my body

This here dance is se****
Definitely physical
Round and round move your hips at will
Long enough and you'll get a thrill
My body feels good when ya grinding on me
Vibe this a one, vibe this a one
Vibe this a one, this a one
Dance like ya with ya lover
Baby come a little closer
Just pull up to my bumper
And just winy winy upon me
And then winy winy upon you
Show me you can work my body

Round and round I go
Doesn't matter if it's fast or slow
Two by two or alone
This here music makes ya moan and groan

Just wine and go down
Wine and go down
Wine and go down and drop
And then wine and come up
Wine and come up
Wine and come up and stop
Jam it

Let me show you what you're missing
Let me tell you about the rhythm
You know you have to have the timing
X amount of winding
When you winy winy upon me
And then winy winy upon you
Show me you can work my body
