

## I Was Doing All Right

Diana Krall

I was doing all right  
Nothing but rainbows in my sky  
I was doing all right  
Until you came by.  
Had no cause to complain  
Life was as sweet as cherry pie  
Never minded the rain  
Until you came by.

Now whenever you're away  
Can't sleep nights and suffer all the day  
I just sit and wonder  
If love isn't one big blunder.  
But when you hold me tight  
Tingling all through, I feel somehow  
I was doing all right  
But I'm doing much better now.
