Well, hello there
Good old friend of mine
You've been reaching for yourself
For such a long time
There's so much to say
No need to explain
Just an open door for you
To come in from the rain

It's a long road
When you're all alone
And a man like you
WILL ALWAYS CHOOSE THE long way home

There's no right or wrong
I'm not here to blame
I just want to be the one
Who keeps you from the rain
From the rain

And it looks like SUNNY SKIES Now that I know you're alright Time has left us older AND Wiser, I know I am

'Cause I think of us Like an old cliche But it doesn't matter 'Cause I love you anyway COME IN from the rain

And it looks like SUNNY SKIES Now that I know you're alright Time has left us older AND Wiser, I know I am

And it's good to know

My best friend has come home again

'Cause I think of us Like an old cliche But it doesn't matter 'Cause I love you anyway COME IN from the rain

Come in from the rain Come in from the rain
