I'm Coming Out

I'm coming out I want the world to know Got to let it show I'm coming out I want the world to know I got to let it show

There's a new me coming out And I just had to live And I wanna give I'm completely positive I think this time around I am gonna do it Like you never do it Like you never knew it Ooh, I'll make it through

The time has come for me To break out of the shell I have to shout That I'm coming out

I'm coming out I want the world to know Got to let it show I'm coming out I want the world to know I got to let it show

I'm coming out I want the world to know Got to let it show I'm coming out I want the world to know I got to let it show

I've got to show the world All that I wanna be And all my abillities There's so much more to me Somehow, I have to make them Just understand I got it well in hand And, oh, how I've planned I'm spreadin' love There's no need to fear And I just feel so glad Everytime I hear:

I'm coming out I want the world to know Got to let it show I'm coming out I want the world to know I got to let it show
