

# Needle In a Haystack

Diane Schuur

Life gets lonely in a small town  
Close up shop when the sun goes down  
Roll out the sidewalks one by one  
Ain't no ways to have fun

Run to the city for a romance  
May your money and taking your chance  
One in a million just like you  
What ya gonna do

Boy, I bet your gonna come back  
You're looking for a needle in a haystack  
Oh boy, I bet your gonna come back  
You're looking for a needle in a haystack

Life gets crazy in a big crowd  
Bright lights flashing, the music gets loud  
Everybody's dancing two by two  
Someone's looking at you

Heart starts pounding like a drum beat  
Sparks start flying every time your eyes meet  
One in a million dreams come true

Oh they'll happen to you

Boy, I bet your gonna come back  
You're looking for a needle in a haystack  
Oh boy, I bet your gonna come back  
You're looking for a needle in a haystack

Boy, I bet your gonna come back  
You're looking for a needle in a haystack  
Oh boy, I bet your gonna come back  
You're looking for a needle in a haystack

I bet your gonna come back  
You're looking for a needle in a haystack  
Oh boy, I bet your gonna come back  
You're looking for a needle in a haystack

I bet your gonna come back  
You're looking for a needle in a haystack  
Oh boy, I bet your gonna come back  
You're looking for a needle in a haystack
