Seaside

Diane Warren

All the worries, worries
I'm gonna leave them behind
Leave 'em in the city, city, uh
Leave 'em on somebody else's mind
Gonna get up, get out
Yeah, I'm gonna jump on a plane
Leave my troubles all a million miles away

Well you can live your life
Stuck at a traffic light
Walking down crowded streets I'll be

I'll be seaside
Sitting on the sand drinking a mai tai
Waking up and soaking up the sunlight, sunlight
I'll be seaside
Watching all the seagulls flying so high
Looking at our future looking so bright, so bright

I'll be seaside
I'll be seaside
If you're looking for me

I'll be busy, busy, nah
Busy doing nothing all day
Y bailando con toda mi gente
Veo que no me dejas de ver
Mientras la musica suene
Aqui pegaditos al mar
No me pienso mover a otro lugar
(Na, na, no, no)

Well, you can live your life
Stuck at a traffic light
Walking down crowded streets we'll be

We'll be seaside
Sitting on the sand drinking a mai tai
Waking up and soaking up the sunlight, sunlight
We'll be seaside
Watching all the seagulls flying so high
Looking at our future looking so bright, so bright

I'll be seaside (Whoa-oh-oh)
I'll be seaside (Whoa-oh-oh)
If you're looking for me

Hermoso es pa'llevarte a la playa con una medalla
Tu cuerpo sobre el mio, ese combo no falla
Que tu me digas tus fantasias y yo las mias
Cuanto extranaba como lo hacias Flotando en el aire (Aire)
Como hacen las aves, eh
Brillando con highlighter
Como dicen Rosalia y Jose

I'll be seaside
Sitting on the sand drinking a mai tai

Waking up and soaking up the sunlight, sunlight
I'll be seaside
Watching all the seagulls flying so high
Looking at our future looking so bright, so bright

I'll be seaside (Whoa-oh-oh)
I'll be seaside (Whoa-oh-oh)
If you're looking for me
I'll be seaside (Whoa-oh-oh)
I'll be seaside (Whoa-oh-oh)
If you're looking for me
I'll be seaside
