

## Decipher Me

### Diary of Dreams

I wander alone  
See my face in the water  
I fill every lake  
With your tears from tomorrow  
Anything but me...

Is this not how you wanted me to be?

I wake late at night  
When my mind is too troubled  
I noticed too late  
That I rose from a storm

Anything but me...

I remember too well  
You got lost in my kingdom  
Your doubts went to hell  
As you drank the dead water

The key in your hand  
So don't be afraid  
Make sure to let go  
Before it's too late
