

## Traces of Light

## Diary of Dreams

Stay here with me  
I have nowhere to go  
Give in to me  
We have nothing to lose

Please stay here  
Make me shine  
Please save me  
Make me shine

Listen to me  
This was written for you  
Walk on with me  
We have all that we need

Now I can see  
How life has changed me
