

I Know

Diddy - Dirty Money

Ayo Wiz
You already know

Don't you ever leave
Don't you ever go away
I love you, I love you
Yeah, I'm begging you, don't you leave
Yeah, I'm begging you, don't you go
You've got my heart, you've got my heart
I know I fucked up, I know I fucked up
I know I fucked up
Yeaaaaaaa
I'm sorry baby
Baby I need you, baby I need you, yeah
I need you baby
Yeaaaaaaa

[Diddy:]
But now you're gone,
And I'm forced to deal with your absence,
All alone in this madness,
All alone on my mattress,
Don't know how the hell did this happen,
You know loving me was a hazard,
Outcome of my actions,
I wish we could go backwards,
Go back a couple chapters,
Back when there was laughter,
Back when we first met,
Before we came such a disaster,
Before your heart got shattered,
Before I forgot how much you mattered,
Crazy we don't realize what we have until after,
We no longer have her

Don't you ever leave
Don't you ever go away
I love you, I love you
Yea, I'm begging you, don't you leave,
Yea, I'm begging you, don't you go,
You've got my heart, you've got my heart

[Wiz Khalifa:]
You say you out the door,
You out the door,
You sick and tired, can't take no more,
Can't take no more,
You know the game,
And tried to play it time and time before,
Told me you don't got time to waste,
So hey, you got to go, you got to go,
Can't help but think of you when I'm alone,
Try and fail, I call your cell, you don't pick up your phone,
Guess that really means you meant just what you said,
Said just what you meant,
Getting all this bread, but it don't mean shit,
Fuck the dough I get, plus the dough I spend,

Darling just

Don't you ever leave
Don't you ever go away
I love you, I love you
Yeah, I'm begging you, don't you leave,
Yeah, I'm begging you, don't you go
You've got my heart, you've got my heart

[Chris Brown:]

Hey superstar,
There's a rain cloud above my heart
And it's only because of you
I knew it from the very start
Running out of complaints
No, no, well at least my bodies sedate
You can have my heart I'll give it away, babe
And I'm a honor and cherish our blazer
Baby

Don't you ever leave
Don't you ever go away
I love you, I love you
Yeah, I'm begging you, don't you leave,
Yeah, I'm begging you, don't you go
You've got my heart, you've got my heart
I know I fucked up, I know I fucked up
I know I fucked up
I'm sorry baby
Baby I need you, baby I need you, yeah
I need you baby
Aw no, no you do
Aw no, no you do
Yeah,
I love you
