Diddy - Dirty Money

Sometimes you can meet somebody
and it'll change your life forever
See...
Love is a motherfucker [echoes]
Sometimes you can meet somebody
and they just take your soul
Sometimes you can meet somebody
and they just take your soul
Can you hear me?
Can you feel me?
Let's go
I knew I wanted to have her
from the moment I saw her
I knew I had to have her
Let's go
That's the way it is sometimes
Can't explain it [echoes]
It's God's work
So God if you can hear me
Please help me [echoes]
