

Yesterday

Diddy - Dirty Money

Yesterday I fell in love
Today feels like my funeral
I just got hit by a bus
Should've been so beautiful
Don't know why I gave my heart, gave my trust, gave everything
You think that if I had the chance
To do it over again
I'd do something different
Make better decisions
Save me from my ignorance
But I keep
Making the same mistakes before I
I see the danger but I go forward
I'm sitting here trying to keep my composure
Knowing inside I'm broken and tore up
She got me gone I'm on her like a drug
I try to go but end up wanting more
Stuck in my head vivid as a picture
I wanna be clean but I can't get rid of her

Uh
Give my all you take it from me (from me girl)
And don't even replace it for me (noo)
I wish you just fake it for me (fake it)
I wish I can make you love me more
You can't tell I fucks wit you I needed you (need you)
I thought that you understood that based on how I treated you (treated you)
I don't pay attention to the rumors that you feed into
Know you're missing something I wish I was what completed you

Stuck in my head vivid as a picture
I wanna be clean but I can't get rid of her

I feel like a killer hit me (hit me)
The weapon was concealed initially (ohh)
But I felt so much pain from it (pain)
You deserved to feel it with me more (more)
I feel like I beg wit you I plead wit you (plead wit you)
I don't comprehend how you can't love when its so easy to (easy to oh)
I thought you could do it I believed in the naive in you (ohh)

I just need to breathe baby now I got the freedom to (ohh no)

She's like a drug
And I don't think I can get rid of her
Cuz she got me in this curse
And it dawned on me I can't do nothing with her
This woman's worth
I can't find my way out
And it hurts
I tried but she won't let me go
Oh, oh, oh, oh, oh she won't let me go
Oh, oh, oh, oh, oh, oh, oh
She won't let me go
