(Yeah... this right hear... goes out to everyone who has lost someone they truly love)

Seems like yesterday we used to rock the show I laced the track, you locked the flow So far from hangin on the block for dough Notorious, they got to know that Life ain't always what it seem to be (uh-uh) Words can't express what you mean to me Even though you're gone, we still a team Through your family, I'll fulfill your dream (that's right) In the future, can't wait to see If you open up the gates for me Reminisce some time, the night they took my friend (uh-huh) Try to black it out, but it plays again When it's real, feelings hard to conceal Can't imagine all the pain I feel Give anything to hear half your breath (half your breath) I know you still living your life, after death

Every step I take, every move I make
Every single day, every time I pray
I'll be missing you
Thinkin of the days, when you went away
What a life to take, what a bond to break
I'll be missing you

I miss you Big It's kinda hard with you not around (yeah) Know you in heaven smilin down (eheh) Watchin us while we pray for you Every day we pray for you Til the day we meet again In my heart is where I'll keep you friend Memories give me the strength I need (uh-huh) to proceed Strength I need to believe My thoughts Big I just can't define (can't define) Wish I could turn back the hands of time Us in the 6, shop for new clothes and kicks You and me taking flicks Makin hits, stages they receive you on I still can't believe you're gone (can't believe you're gone) Give anything to hear half your breath (half your breath) I know you still living you're life, after death

Every step I take, every move I make
Every single day, every time I pray
I'll be missing you
Thinkin of the days, when you went away
What a life to take, what a bond to break
I'll be missing you

Somebody tell me why
One Black Morning
When this life is over
I know
I'll see your face

112 Outro:

Every night I pray, every step I take
Every move I make, every single day
Every night I pray, every step I take
Every day that passes
Every move I make, every single day
Is a day that I get closer
To seeing you again
Every night I pray, every step I take
We miss you Big... and we won't stop
Every move I make, every single day
Cause we can't stop... that's right
Every night I pray, every step I take
Every move I make, every step I take
Every move I make, every single day
We miss you Big

Every step I take, every move I make Every single day, every time I pray I'll be missing you Thinkin of the day, when you went away What a life to take, what a bond to break I'll be missing you

Every step I take, every move I make

I'll be missing you
Thinkin of the day, when you went away
What a life to take, what a bond to break
I'll be missing you
