

Incomplete

Diddy

Im so all along wont you please come back home I need you right
next to
me cause you make me wont to settle down I need you baby my lif
e is so in-
complete I need you here with me

that all i can think of but brother tone can rape really good
im just the back round singer but we both dance i go to east ce
ntral high
school my brother go out of school last year we live in oklahom
a
