

Shiny Suit Man

Diddy

Yeah, what up? This shiny suit man
Now, I know you've heard my name before
You know, whether it was out the mouths of other rappers
Or you know, the LOX or you know
Whoever else wanna say my name, 'Shiny Suit Man'

But they not wanna say my government name
My government name is Sean Combs, Sean John Combs
Some of you may even know me as Puffy, Puff Daddy or P. Diddy
But I just wanna get the record straight

That when they talking about the shiny suit
They talking about me
And I own this five hundred million dollar shiny suit

And, oh yeah, next time say my name
If you really a man, just call on 'Shiny Suit Man'
