

Thank You

Diddy

You've always been right there to let me know everything's alright

Whenever darkness came my way You were my light

I wanna thank You for the difference in my life

Can't even count the reasons why (ohhh I)

I lift you up and praise Your name

You gave me strength to see another day

When I was lost, You helped me find my way

When it seems I can't face another day(That's when I call on..
...)

You-- In time trouble, faced with struggle I call no one but ..

You-- When Im feelin lonely, no one around me still I call on ..

You-- You always placed Your arms around me when I needed..

You-- Thats why I sing this song to tell You

Lord I do love You

You are the only one who keeps on blessing me

At times, I thought that I was blind You helped me see

(Oh ho) And I can never pay You back for all You've done

Thats why I serve You faithfully and never give You up

I lift you up and praise Your name

You gave me strength to see another day

When I was lost you helped find my way

When it seems I cant face another day

That's when I call on..

Knock and He will answer

The lord will make a way

He's worthy of his praise

I know life is worth living

Becasue of you Jesus,

I always call on You

(3x)

during second time altos say(Lord i love you: love you)

Boys say: All I wanna do

Girls echo: All I wanna do I
