

# Don't Leave Home

Dido

**G Gsus2 D**  
1. Like a ghost don't need a key  
Your best friend I've come to be  
Please don't think of getting up for me  
You don't even need to speak

2. When I've been here for just one day  
You'll already miss me if I go away  
So close the blinds and shut the door  
You won't need other friends anymore

**G A D G A Emi**  
Oh don't leave home, oh don't leave home

**D A Emi**  
R: If you're cold I'll keep you warm

**D A Emi A**  
If you're low just hold on

**D A Hmi Emi**  
Cause I will be your safety

**D A**  
Oh don't leave home

3. And I arrived when you were weak  
I'll make you weaker, like a child  
Now all your love you give to me  
When your heart is all I need

Oh don't leave home, oh don't leave home

R: If you're cold I'll keep you warm...

**Hmi Emi**  
4: Oh how quiet, quiet the world can be

**Hmi Emi**  
When it's just you and little me

**Hmi Emi**  
Everything is clear and everything is new

**G A**  
So you won't be leaving will you

Oh don't leave home, oh don't leave home

R: If you're cold I'll keep you warm...
