

# Girl Who Got Away

Dido

I wanna move with the seasons  
And go with the flow  
And take it easy  
And let stuff go

I wanna sleep like a baby  
Rise with the sun  
And kick it all back  
And get nothing done

I wanna make this day  
The longest day  
With a warmth that  
Delivers happiness

If only for today  
I wanna be  
The girl who got away  
The lover who really loved  
The dancer who danced  
To the last song

Don't wanna take sides  
Don't wanna make sense  
Of pounds and pence

I want to be alone  
I don't wanna hide  
Don't wanna be talked over  
Or walked upon

I wanna think the heart  
Is bigger than the head  
Wanna follow you  
But not be led

If only for today  
I wanna be  
The girl who got away  
The lover who really loved  
The dancer who danced  
To the last song

I know what it's like  
To be passed over  
To go unnoticed  
To be clumsy get things wrong  
And I know what it's like  
To arrive too late  
To be told to leave  
To be walked upon

If only for today  
I wanna be  
The girl who got away  
The lover who really loved  
The dancer who danced

To the last song
