

# Just Because

Dido

Sing your song  
Just sing your song  
Just sing your song  
Just sing your song

Hello, hello  
You're taking a chance, ya know  
And you can say you tried  
Just because  
If you get it wrong just laugh it off  
You don't need to hide in the dark  
We know, we know  
It won't last

Sing your song  
Just sing your song  
(Just because everybody does it)  
Sing your song  
(Doesn't mean that we need to)  
(Just because everybody wants it)  
Just sing your song  
(Doesn't mean we want it too)

Just because everybody does it  
Doesn't mean that we need to  
Just because everybody wants it  
Doesn't mean we want it too  
Just because everybody's talking  
We don't need to share  
Just because  
Is not enough

We are, we are  
And whether we say we are  
We are what we try to do  
We'll be what we want to be  
We are, we are  
And whether we say we are  
We are what we try to do  
We'll do what we want to do

You're the sun, you're the sun, you're the sun  
Happy out there alone  
You don't need to hear it all  
You don't need to see it all  
Just sing your song  
Just sing your song
