1. Two weeks away feels like the whole world should have changed

H

But I'm home now, and things still look the same

E

I think I'll leave it till tomorrow to unpack,

H

try to forget for one more night That I'm back in my flat

E

On the road where the cars never stop going through the night

H

To a life where I can't watch the sun set,

R: I've still got sand in my shoes and I can't shake the thought of you

I should get on, forget you, but why would I want to

I know we said goodbye, anything else would be confused

But Iwant to see you again

2. Tomorrow's back to work and down to sanity

Should run a bath and then clear up the mess I made before I left here

Try to remind myself that I was happy here before

I knew that I could get On a plane and fly away

From the road where the cars never stop going through the night

To a life where I can watch the sun set

and take my time, take all our time

R: I've still got sand in my shoes...

Iwant to see you again

Two weeks away, all it takes, to change and turn me around I've fallen

I walked away, and never said, that I wanted to see you again

Iwant to see you again

Iwant to see you again
