

## Take My Hand

Dido

Touch my skin, and tell me what you're thinking  
Take my hand and show me where we're going  
Lie down next to me, look into my eyes and tell me, oh tell me  
what you're seeing  
So sit on top of the world and tell me how you're feeling  
what you feel now is what I feel for you  
Take my hand and if I'm lying to you  
I'll always be alone  
if I'm lying to you  
See my eyes, they carry your reflection  
Watch my lips and hear the words I'm telling you  
Give your trust to me and look into my heart and show me, show  
me what you're doing  
So sit on top of the world and tell me how you're feeling  
what you feel now is what I feel for you

Take my hand and if I'm lying to you  
I'll always be alone  
if I'm lying to you  
Take your time, if I'm lying to you  
I know you'll find that you believe me  
you believe me

Feel the sun on your face and tell me what you're thinking  
Catch the snow on your tongue and show me how it tastes  
Take my hand and if I'm lying to you  
I'll always be alone  
if I'm lying to you  
Take your time, if I'm lying to you  
I know you'll find that you believe me  
you believe me
